OneBridge Announces Strategic Partnership with Member Access Pacific Card Processor Now Offers Visa Prepaid Card Solutions

INDIANAPOLIS (October 1, 2009) - OneBridge, a credit and debit card processor for financial institutions nationwide, announced today that it has signed a strategic reseller agreement with Member Access Pacific (MAP) of Seattle. The partnership with Member Access Pacific expands OneBridge's product suite to include Visa Prepaid Cards, the most feature-rich, robust network-branded prepaid card on the market today.

"The Visa Prepaid Card and MAP platform complement and enhance our card solutions," said Jim Kern, OneBridge President. "Member Access Pacific's expertise in network-branded prepaids and long experience in prepaid card processing supports our high-value, high-touch product strategy."

"We're excited to work with OneBridge in offering Visa Prepaid Card Solutions to its clients throughout the country," said Cyndie Martini, CEO of Member Access Pacific. "The opportunity for growth in the network-branded prepaid market is sizeable, and we should see exponential expansion in the next few years alone."

About OneBridge

OneBridge provides financial institutions nationwide with comprehensive card processing solutions to help them maximize the value of their in-house credit, debit and ATM programs. With dynamic authorization options, effective risk management, competitive rewards programs, and an anywhere, anytime back-office interface, OneBridge is focused on helping institutions gain control of their card programs.

OneBridge, a privately owned corporation founded in 1994, is headquartered in Indianapolis. *One* signifies a single, trusted source of knowledge, and *Bridge* represents connections and opportunities. Visit us at www.onebridge.com.

About Member Access Pacific (MAP)

Member Access Pacific provides premium card processing and ATM services, connectivity, communications and technologies to credit unions throughout the United States. MAP's turn-key solutions for debit, credit, ATM and Prepaid Card processing and support, coupled with its 24/7 customer support and 99.9% uptime processing, reduce costs for members and provide members with best-of-class cardholder service in a safe and secure environment. MAP offers unparalleled employee and management training, reporting systems, service and portfolio management tools. Visit our www.mapacific.com for more information about our state-of-the-art programs and services.
